REASONS FOR JUDGMENT DELIVERED FROM THE BENCH

[1] MAISONVILLE J. (Oral): What will happen is that the order will be put together and then mailed to you, Ms. Pettersson. It will encompass what we have just reviewed today, that the support will cease as of October 23, 2012, that the arrears are assessed at \$2,500, and that the Maintenance Enforcement Program will re-open the file, should the boys be going back to school within the year.

[2] The signature of Ms. Pettersson on the order is dispensed with.
