v.

SHANE DANIEL COLLINS

Appearances:

Keith Parkkari  
Robert Dick

Counsel for the Crown  
Counsel for the Defence

**REASONS FOR JUDGMENT**

[1] COZENS C.J.T.C. (Oral): Based on what I have heard, given the time of day that it took place, at 1:18 in the morning, the evidence of Mr. Collins, which was consistent and certainly potentially capable of belief, I am not satisfied the Crown has been able to prove this on the balance of probabilities.

[2] Therefore, the breach allegation is dismissed.
