**MEMORANDUM OF RULING
DELIVERED FROM THE BENCH**

[1] VEALE J. (Oral): Having been counsel once myself, Mr. James, I have some sympathy with Mr. Macdonald's position. I am going to adjourn all the matters to Friday at 9:00 a.m. Are you available for that Mr. James?

[2] MR. JAMES: I have a hearing that is scheduled but if the

Court determines -- we are anxious to have these matters heard and I will make myself available or someone else from my office to argue. I expect that I would make myself available, My Lord.
